The All-Russian Early Career Scientists Conference “Climatic and environmental changes in Northern Eurasia: Analyses, projections, adaptation” will be held at Kislovodsk, Russia in **September 14–20, 2014**. We invite to young scientists, post-graduated students, graduates and undergraduates interested in atmosphere, geosphere, ecology and geochronology. The abstract deadline is **May 1, 2014**.

Program committee

Prof. Igor Mokhov (A.M. Obukhov Institute of Atmospheric Physics RAS), co-chair

Prof. Olga Solomina (Institute of Geography RAS), co-chair

Dr. Victor Brovkin (Max Planck Institute for Meteorology, Germany)

Dr. Eugeny Volodin (Institute for Numerical Mathematics RAS)

Prof. Andrey Velichko (Institute of Geography RAS)

Dr. Pavel Groisman (UCAR at NOAA National Climatic Data Center, USA; Institute of Oceanology RAS)

Prof. Sergey Gulev (Institute of Oceanology RAS)

Prof. Nikolay Elansky (A.M. Obukhov Institute of Atmospheric Physics RAS)

Prof. Alexander Kislov (M.V. Lomonosov Moscow State University)

Dr. Arkady Tishkov (Institute of Geography RAS)
